Oh Oh, you are Great, music, arts, culture you are Big, sweet chocolate pie, the most importante to me is percussion, and dance I use to live in a beautiful place in Centroamérica only with Black people, they take car for me and I was happy, but my brother call me back to México, I born and grow up in a beautiful place in México city. Bud is so crowded, I prefer living in Chetumal Quintana Roo, border with Belize looking for Garinagu music, an a real drum. All my brothers have pHD, but I'm the crazy, the only woman.
